1. For your information, action on the proposal outlined in 159-CWUHO has been delayed indefinitely for policy reasons quite similar to those listed in [ ]'s memorandum enclosed with MGW-A-205.

2. Inasmuch as this whole problem is closely connected with our relations to Czech emigres here and their relations to the Paris publication, there is grave doubt that this project should be implemented now, if ever.

3. The decision to withhold action on this, however, does not detract from our appreciation of the excellent manner in which you and your people have outlined it to us.
